

## Eagle Lake Rally September 2005

Campground entrance. We were parked up in the trees straight ahead

Virginia and Diane enjoying the view

The SNU donated the American flag to the camp host as he didn't have one for the entrance flag pole

3 Airstreams tucked in the pines

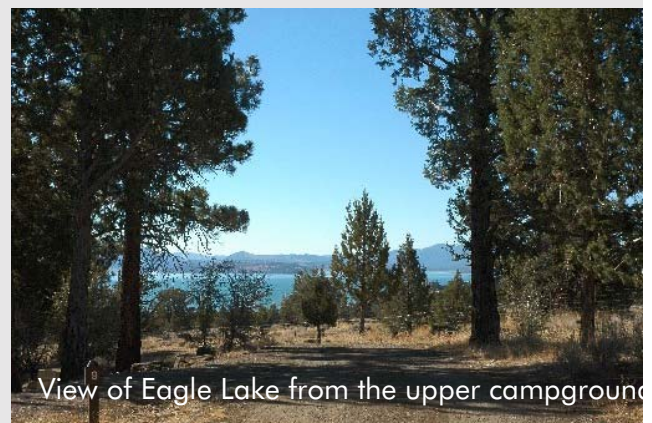

Morning coffee

We were delighted to see SNU member, Spencer Thomas who lives in Adin, just up the road from Eagle Lake

What's a rally without a pot luck!
