February 2006 30th Anniversary Rally at Silver Oak

Amazing creation done by Vicki & Randy Grossmann

The Jaggard's parked by the lake. Looks like Rich is catching fish for dinner

A lot like Twin Lakes – birds in the trees and deer in the campground

The Douglas's rig

The Thornburg's rig

Can't have an SNU rally without a campfire

The Kendziorski's Hummer and Airstream

The Leipper's, yes that is a BVan!
