# UNIT NEWS

MONTEREY BAY CALIFORNIA UNIT

October 16, 1989

The September rally was an exciting one. Among the 16 trailers gathered at the Sheriff's Posse Grounds in Salinas were those of Glen and Christine Cox from New Mexico, Sid and Esther Grossman from Arizona, and local members Charley and Ruth Penner and Bill and Dannie Weston, whom we haven't seen in many months. Saturday brought more surprises when Paul and Virginia Grossman came to visit, and Helyn Leggat arrived with granddaughter Susan, great-granddaughter Dee Dee and great-great-granddaughter Ashley. How great it was!

Our thanks to hosts Glenna and Harry Meyers who, with the able assistance of co-hosts Ruth and Dick Ginter, arranged an interesting and enjoyable weekend. A visit to the Jose Eusebio Boronda adobe on Friday gave us some insight into life in the Salinas area in the 1840's. Part of the group, after lunch at an Italian restaurant, tasted wine at the Monterey Vineyards winery in Gonzales, and we all had dinner at the Laurel Inn that evening. Saturday evening, after a cook-your-own-meat barbeque, Dale Leipper, in his usual inimitable manner, discussed the fine art of cooking a turkey in the microwave.

The Region XII Seminar and Rally in Paso Robles followed shortly after our Salinas rally and our unit was represented by the Leiths, Jack Benjamin, the Connells, the Eckleys, four Penners, and Gladys Rose and Margaret Ashton. Charley Penner was in charge of a rally breakfast, serving nearly 400 hungry Airstreamers. Ken and Claire were much in evidence because of his VIP position as Regional 1st Vice President. All region XII units, except for Palm Springs, were represented at the rally. The opening ceremony, complete with flag procession and a Boy Scout troop leading the Pledge of Allegiance, was especially impressive.

Two items acted upon by the Region XII Board are of particular interest. The first was a resolution which, if accepted by the IBT, would allow owners of Class B Airstream motorhomes (the 190 van conversion) to be members of WBCCI; the second was a motion by Henry Boney to instruct the President of Region XII to request the IBT to rescind their action restricting WBCCI membership to owners of "classic" Airstreams. Presumably these will be considered by the IBT at their meeting in January.

This is a last call for dues (\$35 International plus \$10 Unit), which must be received before November 15 in order for you to be included in the 1990 WBCCI directory.

For your membership list: The phone number for Dave and Barbara Paxton is (415) 523-2191.

Since this is our final newsletter we would like to take this opportunity to thank all of you for your help during the past year. We have a great group of people and it has been a real pleasure working with you. Thank you very much, and let's all pitch in to help Bob and Dorothy make next year another good one.

Marian & Jay

## RALLY BULLETIN

MONTEREY BAY CALIFORNIA UNIT

MONTEREY BAY CALIFORNIA UNIT

JANUARY

The weather was very kind to us at Lodi Grape Festival-Grounds. The nights were cool but the days were enjoyable. Our hosts the Browns and the Paxtons had a program that everyone in attendance enjoyed. The "Let's go western" theme brought out some interesting costumes and some really great hats. We had sixteen trailers at the rally. Barber, Benjamin, Brown, Comrie, Connell, Donald, Fridhandler, Gorman, Hadden, Leipper, Leith, Oliver, Paxton, Schneider, Strain, Curtis (Dave & Lovie) from the Golden West Unit came for the Rally. Dick and Ruth Ginter came for the day on Saturday, and we were also joined by Harry and Glenna-Meyers, who are anxiously awaiting delivery of their new suburban. Charlie Neavas came as Ruth Barber's guest. Needless to say our hosts delivered another quality rally.

Most of the group enjoyed a trip to the Tower Park Marina to browse among the docks and look at how the more affluent spend some of their leisure time on their yachts. We had a grand lunch at the restaurant over looking the docking area. Everyone was free to return to Lodi at their own pace and path. The evening (Friday) brought another great chili feed and some interesting card games at which some expletives were overheard while games of "Oh Hell" were being played.

Saturday was another great day and after the meetings and the usual puzzles and tile games, Jerry Strain and Russ Comrie supervised the firing up of the bar-b-cue pit and every one cooked their own entree. Joe Gorman conducted a meeting of the people who have signed up for the caravan that will leave at the end of the Pinnacles Rally. Joe has the itinerary all worked out and if you are interested and have not signed up contact Joe Gorman for the details.

Many of us are looking forward to the Spring Fling Rally that is being hosted by the Gormans, Leiths, Olivers at San Antonio. Weather permitting we will take the Eagle watch cruise around the lake on Saturday. and the nature walk that is being conducted by the Park Ranger.

We still have some open spots for hosts on some of the planned rallies and if you can't handle one by yourself, then offer to help some one who is already signed up.

May good health and happy trailering stay with you all until we meet you down the road.

Bob & Dorothy
