AUGUST RALLY

All the attendees at this rally voted it as one of the best. Everything seemed to just fall into place and the elements were also very cooperative. The hosts went all out to see that all attending had a great time and that the enjoyment was almost nonstop. Ev & Faye, you were told so many times what a great rally it was but Dorothy and I want to say it one more time. There were twelve trailers parked at the Messinger's Tennis Ranch, Ashton/Rose, Beasley, Brown, Comrie, Donald, Hoffman, Harris, Leipper, McKnight, Neaves, Pettis, Weston. We had five additional visiting members of the unit, Burnes, Davi, Gorman, Oliver, Schneider.

The entertainment was almost continuous with games and contests, that were enjoyed by all who participated in them. And our Hosts furnished the complete happy hour on Thursday evening. Friday night was dinner out for almost everyone, at the Rancho Canada where we had Baron of Beef, and King Crab Legs buffet with all you could eat. We came back to the Ranch for a campfire sing-along which probably caused some consternation among our valley wildlife. Saturday we enjoyed a tennis match of local tennis stars on the Messinger's court.. Saturday night dinner was a do-it-yourself barbecue. This was followed by a devilish contest organized by our hosts. After dinner certificates were awarded to the winners in the various games of skill (first annual doorknob toss), croquet, horse shoes, frisbee toss, and also the TPA contest (tactile perception ability). Everyone just thoroughly enjoyed themselves. Breakfast Sunday morning served by our hosts was one of warm bagels, a variety of them, different flavored cream cheese, jam, juices, and coffee. All this was served in the barn along with good conversation and a very warm and comfortable feeling that all was right with the world.

Some fine tuning of the Hat Creek Experience was done by our hosts for this event (Dale and Virginia Leipper with Orv and Amye Hoffman). This promises to be a great affair and it has always been one of the highlights of the year for us. We enjoy the people, the area, and the season. We hope to see as many of you as can make it. Some members are planning to leave from Hat Creek for Russ Comrie's sortie to Charleston, Oregon for the seafood delights that are available in this area. We hope you all have a fine time and much success.

Meantime until we see you down the road stay healthy and happy.

Bob & Dorothy

HAT CREEK EXPERIENCE "90"

Although Dorothy and I had to leave early for a medical appointment, we left with the feeling that everyone was having a great time. The weather was almost perfect and things were running smoothly. The hosts (Leippers and Hoffmans), had done such a very good job of planning that it ran effortlessly. Hat creek has become a favorite spot with so many of our members that it really draws a crowd. We had 15 trailers present for most of the rally. The trailers present were: Benjamin, Brown, Burnes, Donald, Frazer, Gorman, Hadden, Hoffman, Leipper, with 3 of their children, (Brian, Diane, and Anita,) Monahan, Meyers, Oliver, Schneider, and Strain. I would like to thank the hosts for another great MBCU get together that produced some fond memories for all of us. I expect to be filled in on what went on after we left.

Back to business for a bit. The following is the nominating committee's slate for the 1990-1991 officers and trustees.

President--Joe Gorman
1st Vice President--Jack Benjamin
2nd Vice President-- OPEN
Corresponding Secretary--Shirley Gorman
Recording Secretary--Marian Leith
Treasurer--Bob Oliver
Trustee 1989-91--Virginia Leipper
Trustee 1989-91--Jerry Strain (to replace Oliver)
Trustee 1990-92--Nina Hadden
Trustee 1990-92--Russ Comrie
Past President--Bob Schneider

The slate of officers and trustees is subject to nominations from the floor at the October rally at Bolado Park. Election of officers and trustees will take place at the October rally for installation at the Installation rally to be held at Monterey County Fairgrounds with the installation dinner being held at the U.S. Navy Postgraduate School November 8-11, 1990 (See attached Rally Bulletin).

As my year as President draws to a close, I wish to thank you all for your help and patience with me in my efforts with the unit. Dorothy and I wish success to the incoming slate and will help in anyway we can in the continuing operation of the unit. However next year has been set aside for some personal travel for us and with luck and a little help from the man upstairs, we will get to see some of our family.

There are some of you that I have relied on rather heavily in my year in the chair and for this I owe you a personal thank you, and I will try to express this to each one of you as the opportunity arises. You are however a great bunch and we have enjoyed our term in office and we wish you all to be happy and healthy so we can meet you down the road.
