There have been a few changes to the Nevada Caravan itinerary, mostly as a result of complications associated with the Memorial Day weekend.

First, we will stay an extra day in Las Vegas, arriving as planned on Tuesday May 21 and leaving Friday May 24. Also, we will be staying at the Circus Circus RV park (500 Circus Circus Drive, 1-800-3450) instead of the Stardust as originally planned.

Second, Valley of Fire State Park is completely booked and can't handle us. Therefore we will stay at the Lake Mead Recreation Area Park in Overton, a few miles up the road from Valley of Fire. (Fun and Sun Mobile Home and RV Park (W-E-S-, 702-397-8894), arriving Friday May 24, leaving Monday May 27. We will arrive at the next stop, Cathedral Gorge State Park at Panaca as the Memorial Day people are leaving on Monday.

As of now, the other parts of the trip remain as planned.
