April, 2007

SNU Members,

This special mailing includes the April newsletter, a list of current SNU members, the 2007 SNU rally schedule and two items of business that need the attention of all SNU members.

The first issue is the proposed SNU bylaws change. The second is the WBCCI proposal to extend non-Airstream manufactured Class A motorhomes membership in WBCCI. This issue will come up for a vote in July at the Delegates Meeting in Perry GA.

At this time, the SNU does not have an elected delegate to attend this meeting and cast votes for SNU members on this issue. We do however want your opinions and comments. Please read the enclosed proposed amendment and then call or email your opinions to the SNU. If you are planning to attend the WBCCI International Rally in Perry and would be willing to be elected Delegate for the SNU, please let us know ASAP.
