March 30, 2000

Unit Newsletter, Volume 25 number 4

SIERRA NEVADA UNIT, WBCCI

Bryan & Diane

It is that time of the month again, or nearly that anyway. If we don't get the word to you early enough for you to plan, then we don't get as many people out. But, true to what has been happening this year we are changing the time and place for the April luncheon. This is after consultation with members who made it to the last luncheon.

Speaking of which, we had a small but congenial group at Heidis in Reno. In attendance were Elenere Amidon, the Burnhams, Marge Grosch, Betty Kopfhammer, Diane Leipper, Dale and Virginia Leipper, Pete Rinne and the Webbs. All had an enjoyable meal and good conversations.

Now that the Burnhams have E-mail, we can report that the Cordiers are enjoying their winter in the Netherlands Antilles (they didn't know what a nice winter we were going to have here.) They plan on being back in the area the first of May so we may see them at the May Rally at Washoe Lake. Frank also had a phone conversation with Von Gallion. He appreciates the support of all his friends in the WBCCI, and is doing better, even able to do a two mile walk with his granddaughter. Alma George was not able to attend because she is pretty well confined to the house because of her bad hips. The Browns were also still fighting colds and other problems of the years none of us want to count.

There was a Board of Directors Meeting on the 23rd of March. The main piece of business was the resignation of the President due to health problems which make it impossible for him to attend the International Rally in Bismarck in June, and take care of the Unit's business there. Dale Grosch moved up from First Vice President to fill that void. Frank will still do the membership function and send out the monthly newsletter. He does not plan on dropping out of the club or anything like that. Also the Board appointed Diane Leipper to chair the nominating committee, so if any of you members out there would like either to help her get a slate of officers for 2001 together, or would like to volunteer for office, do let Diane know.

Back to the April lunch meeting. It will be on Wednesday, April 12, in Fallon at the *Viva La Pasta*, 118 East Williams St. If you are driving into Fallon from the Reno or Carson City direction, the restaurant is just as you cross Maine Street on Williams. We will be ordering off the menu with a Senior Citizen discount available. This is a relatively new restaurant to Fallon, and

comes highly recommended. As usual, we will need you to call 825-6566 to tell us that you are coming so they can set aside space for us. The time is at 11:30 as is customary.

April Birthdays and Anniversaries:-

Birthdays

Mildred Peters - April 9

Don Damoth - April 11

Mary Lou Damoth - April 12

Beverly Cordier - April 15

David Pierce - April 24

Anniversaries

Cordiers - April 14

Peters - April 27

Enough for one newsletter. See you in Fallon. don't forget to call reservations to 825-6566. Happy Easter too.

Your Secretary,

Steve Brumham
