

Happy New Year

SIERRA NEVADA UNIT, WBCCI

UNIT NEWSLETTER, Vol. 26, #1 January 2001

About 16 people came to the xmas brunch and gift exchange, and had a good time. Fred Hersey did the honors as Santa Claus. The Grosch's came complete with trailer so that they could make a fast exit afterwards so that they could beat the threatening snow to Washington State. Guess they almost made it. but did run into some snow before they made it all the way, and sat in a bunch of snow after they got there. It was great to see Alma again, she does not venture out often.

Things stayed pretty dry here, xmas came and went, and so did New Years. Time just seems to flit by, and here it is the year 2001 already. We are not sorry to see the end of year 2000, it was not a very happy one, but we are hoping for a great year coming up.

The first activity for the new year is a brunch on Sunday, January 14 at 11.00 AM at the Carson City Nugget. This was arranged by Marge Grosch before she left on her trip north. Please call us, Frank or Steve at 825-6566, so that we can give the Nugget a head count. The idea is to all try to gather near the cashier by the buffet line, and they will set up a table quickly for us, run us through the line as a group - and don't forget to ask for your Senior discount, which I believe is 10%. We are keeping good thoughts about decent weather, and hope to see a good turn-out of people.

We have no new report on anyone being sick, lame or lazy, so will come down to the birthday and anniversary celebrations list.
