July-August 1997 Newsletter!

President's Message;

Again a great International Rally came to an end. There were just a few below 1500 trailers/motorhomes. Temperatures and humidity during the rally were not as oppressive as expected. We were parked near the building, which served as a tent and was airconditioned, which members really enjoyed for functions. It served a dual role as on site friendship center and regular group gatherings.

The Region XII Breakfast was very well attended and enjoyable. About 45 members from CA were present at the rally. Also the Nevada Unit invited Burnhams and us to their dinner.

Frank Burnham went as our delegate to the meeting on June 30. The slate of candidates submitted by the International Nominating Committee was elected, with Charles Duran becoming the new International President. The proposal of accepting RV's other than Airstream models for WBCCI membership was emphatically rejected by all delegate speakers. It is obvious that there is near unanimous opposition to this proposal throughout WBCCI Units. An IBT Committee will study other possibilities for increasing membership.

Dale and I worked on our tent reservation's committee training a new chairman, whom I will work with next year and Dale will be the new "Silver City Movers" Chairman.

We hope that many of you will attend our next meeting, which will be a Brunch at Marie Collandar's at Reno on the 17th of August at 11:00. Also please remember our outing to Lake Lahontan September 26-28 with, at which time the new officers for our unit will be elected. More on that in the next newsletter.

The Region XII Fall Rally will be held in Las Vegas October 14-19. Please get your reservations in since there will be only space for 200 trailers/motorhomes. The Golden West Unit of CA invited our Unit to caravan with them after their rally in Minden. They also would like to have some joint rallies with us.

We are still on the road enjoying visits with many friends. It has been a great summer.
