*SIERRA NEVADA UNIT NEWSLETTER*

Volume 24 Number 1

Happy New Year fellow Airstreamers!

Haven't done a newsletter for several years, but it is a pleasure to be doing them again as your Unit President. I know, I said that it would not happen again, but I could not resist the offer one more time. Some of you newer members can expect arm twisting later on to assume some of the leadership roles in the Unit. Now that is not a good way to start the year, is it?

For those of you who missed the Grosch's Christmas Party, it was a marvelous gathering. Elenere Amidon, the Browns, Burnhams, Cordiers, Alma George, the Groschs, Leippers and Leippers, Pauls, and Pete Rinne brought the number to seventeen. The food and companionship were both outstanding. Thanks to the Groschs!

Those who did not attend that party will find their 1999 roster enclosed with this Newsletter. Look it over and report any errors to Frank at 825-6566.

Since then we have had a few members contributing to the well being of Doctors. Elenere had cataract surgery on the 29th, and by her report is doing well. Marge has been having medical evaluation and surgery is planned, but she expects to join us on January 16th. Much less serious than either of these, the Burnhams have been swapping off with twenty four hour colds or flu or something. Between them they have kept their bed warm since the 29th. Both are feeling better as of this writing. Have had no reports of other ailments from anyone.

Other news of members is that the Damoths (our newest members who have been on the East Coast this past year or so) have returned to the West, and have 'phone numbers where they can be reached. Their son's phone number in Reno is 775-857-1101., Messages can be left there. Don and Mary Lou can be reached in person by cell phone at 702-596-7665. This is a Las Vegas number so it is area code 702. They will be wintering in the Arizona area, but should be back with us in the spring, when you can all meet them, hopefully. Long time members Jim and Margaret Metternich, who dropped their membership with us at the end of the year have sent us a new address. For those of you who may wish to write them it is P. O. Box 1600, Anacortes, Washington 98221. The Wights are traveling in Southern California for several months so we will not be seeing them until spring.

The next gathering of the Unit will be at the Sizzler Restaurant at 3033 North Carson Street, Carson City on Saturday January 16th. The Sizzler is almost across from the new K-Mart Store. Be there at 11:30, select your fare and pay individually. A seating area will have been reserved for us. But, just so there will be enough chairs, please call the Burnhams at 825-6566 indicating that you are going to attend, and a final count will be provided the restaurant. Hope to see all of you there.
