Dear Charles and Katy,

I guess you must be off running around the country enjoying your new motor home. At any rate I have not been able to reach you on the telephone.

The people in Jackson Center, Kathy Adams of the Wally Byam Caravan Club staff to be specific, have sent me a copy of the letter which they sent you on January 4th, congratulating you on your fine choice in RVs. As the membership chairman of the Sierra Nevada Unit, WBCCI, I wanted to talk to you as soon as possible about coming by one of our Unit activities and meeting some other Airstream owners. But a letter will have to do, I guess.

The Sierra Nevada Unit is your nearest WBCCI Unit. It is generally in the Carson City/Reno area, although we do have some members in Fallon and other Nevada locations. We are a smaller Unit, struggling to maintain ourselves in this modern world of large and larger RVs of all sort and description. You have received a copy of the *Blue Beret* which Kathy sent you. That gives you some idea of the national scope of the Wally Byam Club.. We would like to have you meet us and see if you might not like to join the group; both the smaller Unit and through them the entire national group. Perhaps even the International group! Our next function is a luncheon at the golf club in Fallon on January 18 at 11::00 AM. If you could possibly make that, assuming that you have returned from your christening of your new rig, please give me a call at (702) 825-6566 and I will be happy to furnish further details, including how to get there.

I do hope you enjoy your motor home, and are having fun. Please contact me when you return to the Nevada area.

Sincerely,

Frank J. Burnham, 13113

Dear Mr. Woellner,

I am in receipt of a letter from the WBCCI office in Jackson Center, OH enclosing your inquiry about the Wally Byam Caravan Club.

I am the membership individual for the Sierra Nevada Unit of the WBCCI. We realize that you are not close to either our Unit nor the Nevada Unit in Las Vegas. We would like to invite you to join the Sierra Nevada Unit in spite of the loneliest highway in the country lying between you and us. We are a small Unit of the WBCCI, but we are active and have a couple other members with older Classic Airstreams. Jackson Center sent you application forms, and we encourage you to fill it out and either bring it along to one of our meetings, or mail it to me.

We will put you on our mailing list for Unit Newsletters so that you will know when and where we are having our get-togethers. Our next one is at the Olive Garden in Reno at 11:30 am on Thursday, August 22nd. Or, if you are in the Reno/ Carson City area anytime give me a call at 825-6566, or the Grosches in Carson City at 883-0129 and we will join you for lunch or dinner somewhere convenient.

I enclose a copy of our most recent newsletter which lists the August 22 meeting. Let us hear from you.

Cordially,

Frank J. Burnham

Dear John Neill,

I am writing you on behalf of the Sierra Nevada Unit of the Airstream Club. You may or may not be aware that your father served as the Unit Historian for many years. This Unit History is contained in three or four large photo albums, and there may be some loose items that he never got in their final form in the binders. It is important to the Unit to get these binders from your father's property.

We are extremely sensitive to your loss, but feel that time may be of the essence as you and your sister try to sort out your father's things. Sam did a marvelous job with these history books, and we would hate to see them lost to the Unit. When you locate them you may either contact me at 825-6566 and I will arrange to pick them up from you, or you may take them to Dale or Marge Grosch's, (the Unit President) home in Carson City.

At this time the Grosch's are out of town, but will be back before they leave again for their summer travels. They are at 2320 Gentry Lane, 'phone 883-0129. I'm not sure when they will be back in Carson, but probably in a week to ten days. I will be leaving on April 27th and not return until the end of July. Which ever is most convenient for you is fine with us, but would you please let me know which you decide before I leave on the 27th.

Again let me express my personal sympathies over Sam's passing.

Sincerely,

✓ Cy Furn: Dale Grosch

Dear Wes

Thank you for calling regarding the Sierra Nevada Unit of WBCCI. We hope to see you at TJ's in Minden on March 11.

I have enclosed our latest newsletter and some other material that give you an overview of our unit. I will also make sure you are on our mailing list so that you can receive our monthly newsletter.

Don't hesitate to call if you have any questions or would like more information.

Sincerely
